

## COMPILING LIST FOR MEMORIAL TABLET

The Public is Asked to Assist in Getting a Correct List of Barry County Soldiers.

We are printing the list of Barry county soldiers for the last time. If there are still some names unreported or corrections, telephone this office this week, as the list will be given to the committee Saturday evening. If more convenient corrections may be sent to the Cassville Republican, E. N. Meador, the editor, being a member of the committee. Every soldier, sailor and marine from this county who served in the late war is entitled to be listed on the Memorial tablet.

The committee has reserved the decision as to the S. A. T. C. boys and says that if they were on soldiers pay, had the privilege of war insurance and received their discharges as regular soldiers their names should be on the memorial tablet. We will appreciate it if these names are sent us at once.

In the past no such information was possible, the best any of the authorities could do was to make an intelligent guess.
